Journals \$12.00

A beautiful journal for keeping recovery notes, insights and personal thoughts. A wonderful gift for family or friends regardless of their 12-step affiliation. All proceeds go to the local Al- Anon Information Services Office of St. Louis.

The AIS office mails free newcomer packets, sells program literature, maintains a website and keeps an updated list of meetings, (both zoom and in person). Their staff is available to talk with newcomers as well as members 314-645-1572. The office is the foundation for St. Louis to support the Al-Anon mission of supporting family and friends of alcoholics. Please support this worthy cause by purchasing one or several journals today!
